Forwards census of the

DEPARTMENT OF THE INTERIOR,

UNITED STATES INDIAN SERVICE,

Mescalero, New Mexico,

August 7, 1902.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

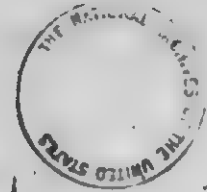

I have the honor to forward herewith a census of the Mescalero tribe of Apache Indians as taken on June 30, last.

Exceeding great care has been exercised in the preparation of this census. Every man, woman and child on the reservation was brought to the Agency, his or her name correctly ascertained, and all properly enrolled in the families to which they belong. All the suggestions contained in Office Letter of June 10, last, regarding spelling of Indian names have been observed except that frequently c has been used before a vowel instead of s or k. There are not sufficient blanks on hand to admit of the preparation of a new copy, else this error would not appear. This suggestion has been observed, however, in the preparation of the family register as will appear in future enumerations.

In all respects, save that just mentioned, the Office may regard the inclosure as accurate and reliable.

Very respectfully,

Superintendent.
